ADULT LITERACY

1. FEEDING PROGRAM

The feeding program continues to be a great success in the community as we see the increase in the attendance number of children. In August we served a total of 329 meals as indicated below;

6th August-85 meals served

13th August-81 meals served

20th August-79 meals served

27th August-84 meals served

We have also been able to serve 1087 meals for the nursery school kids, making it a total of 1416 meals served in the month of August. At a time when the area is experiencing drought, the feeding program has been a blessing to so many children who are at a risk of starvation.

2. TUTORING PROGRAM AND LIBRARY

We continue to make great strides in our tutoring sessions. We have noticed the overall improvement in the grades of our students and great self esteem. We had a minimum of 25 children per day during our weekdays evening tutoring program and 60 during the weekend sessions. We had a total of 871 engagement sessions with the children.

Our challenge is the limited space to accommodate all the children at once so we have resolved to grouping them and tutoring them in shifts.

3. ADULT LITERACY PROGRAM

This month we had a total of 352 engagement sessions. We are honored to impact such a life changing experience to our adult learners.

4. ACHIEVEMENTS IN AUGUST

In partnership with Action Aid organization,

- The nursery school was renovated.
- Built new desks, seats and shelves for the school.
